

Dear Friends,

My name is Corey W. Pack, Founder and Lead Facilitator of the **Responsible Fathers Initiative (RFI)**. Established in 2020, RFI proudly serves families in Talbot and Dorchester Counties. I invite you to visit our website to learn more about our mission to strengthen men in becoming more responsible, nurturing fathers and more loving, compassionate partners.

It is also my privilege to chair a committee of dedicated community advocates working to bring the first **Fatherhood and Reentry Conference to Maryland's Eastern Shore**. This landmark event will take place on **October 17, 2026**, at the Harry and Jeanette Weinberg Intergenerational Center in Cambridge, Maryland.

This one day conference will bring together educators, facilitators, service providers, and elected leaders who are committed to advancing fatherhood programming and reentry services. Our conference website will feature online registration, presenter biographies, the full conference schedule, and sponsor logo placement.

A professionally designed **conference program book** will be provided to all participants. It will include advertisements from local businesses, a building diagram to help attendees navigate sessions, and prominent sponsor recognition. Upon arrival, guests will be welcomed by registration staff and sponsor banners. Inside the main dining room—where the opening and closing ceremonies will be held—a large video display will feature sponsor logos throughout the day. During the program, our **Platinum, Gold, and Silver sponsors** will be formally acknowledged for their generosity and leadership.

Your sponsorship is vital to the success of this conference. With your support, we can demonstrate the strength, collaboration, and innovation happening right here on Maryland's Eastern Shore. Enclosed you will find our sponsorship levels and benefits. We also look forward to hosting you at the **Sponsor Reception on Friday, October 16**, held in your honor at **The Packing House in Cambridge**.

Please make sponsorship contributions payable to **Fatherhood and Reentry Conference 2026**.

For more information, please contact **Ms. Tonet Cuffee** at **410 310 7423** or **tonet@dcsdct.org**.

Thank you for your consideration and for your commitment to strengthening fathers, families, and communities.

Sincerely,
Corey W. Pack
Founder,
Responsible Fathers Initiative
